Dear Manfred,

Congratulations on your exhibition record. Your certificate for Five Stars in Large Monochrome Prints is enclosed, as is the colored tab. Your record now shows 1139 acceptances and 134 different titles. It will not be necessary to list these acceptances and titles when you apply for your next star since they are in the permanent file. I will include your name in the next list of star awards. The lists are printed quarterly, and it will be in the July, 2006 issue of the *PSA Journal*.

Sincerely,
